Honda CB1100F: production confirmed

UK's Motorcycle News announced today (24/12/2008), that Honda confirmed production of the 2007 Tokyo motorshow CB1100F prototype. <http://www.motorcyclenews.com/MCN/News/newsresults/mcn/2008/December/22-28/dec2408-honda-cb1100f-set-to-launch/>

If it makes it to Europe and USA, it will break hearts (and wallets..).
